Nearly 6 years in B2B technology sales across AI, fraud/risk, and fintech; #1 AE in India at DevRev, with \$1.23M ARR closed across 13 AI deals and 80%+ of pipeline self-generated.

EXPERIENCE

Account Executive | DevRev — AI-native agent platform

Jan 2025 – Present

- **#1 AE in India** and top-10 globally by closed-won ARR; closed \$1.23M ARR across 13 AI deals, including \$700K from 7 net-new logos; 80%+ of pipeline self-generated.
- **Built DevRev's voice-agent motion in India from zero**, creating \$500K of qualified pipeline across 3 opportunities by identifying high-volume support workflows and positioning AI voice automation against measurable pain.
- **Closed a \$118K agentic expansion** in a near-churn account; partnered with delivery to put an agent in production in 3 weeks, handling ~80% of CX volume.
- **Expanded customers into audit, email, chat, and voice agents**, including a 13-day enterprise expansion that drove multi-product adoption.
- **Won competitive AI evaluations** through multi-stage technical validation and ROI-led selling to CTOs and cross-functional CXOs; displaced incumbents and legacy SaaS.
- **Built DevRev's global AI-seller onboarding program**: repeatable frameworks for AI demos, use-case qualification, and customer evaluations; led sessions across APAC, EMEA, and the Americas.

Channel Partnerships Lead | Neokred Technologies

Jun 2024 – Oct 2024

- **Built GTM** for India's first DPDP-2023 consent-management platform across enterprise and consumer markets; launched a co-branded solution with AIGF and opened strategic public-sector partnerships.

Key Account Executive | Bureau, Inc. — Fraud prevention & identity risk

Aug 2022 – Apr 2024

- **Exceeded quota by 50% in two consecutive quarters**; acquired 12 new logos and landed the company's first unicorn customer.
- **Opened three new verticals** - proptech, e-commerce, and legal tech - and won the market leader in each.
- **Improved demo-to-close conversion** by instrumenting product usage and partnering with engineering to ship 7 targeted releases.

Enterprise Account Executive | Jai Kisan — Fintech

Nov 2020 – Jul 2022

- **Built a ₹250 Cr loan book** through ICP definition, outbound enterprise targeting, and internal credit-committee management.
- **Prospected 300+ enterprise leads/month** at 40% conversion to qualified opportunity; closed CFOs of listed entities (\$1B+ revenue) accounting for 75% of company revenue.
- **Signed India's largest commodities platform** as a channel partner, increasing MRR by 10%.
