EXPERIENCE

Account Executive | DevRev (AI-native agent platform)

Jan 2025 – Present

- #1 AE in India and top-10 globally (among AEs) by closed-won ARR; closed **\$1.23 Mn ARR across 13 deals** - \$700K from 7 new logos.
- Pioneered DevRev's voice-agent motion in India - built \$500K of qualified pipeline across 3 opportunities (new logo + expansion), positioning AI voice automation against high call-volume support pain
- Closed a **\$118K agentic expansion** in a near-churn account through a committed turnaround; partnered with delivery to put an agent in production in 3 weeks, handling ~80% of CX volume
- Expanded existing accounts into audit, email, and chat agents, including a 13-day enterprise expansion driving multi-product agentic adoption
- Won competitive AI evaluations via multi-stage technical validation, displacing incumbents/legacy SaaS
- Built DevRev's global AI-seller onboarding program - repeatable frameworks for AI demos, use-case qualification, and customer evaluations; led onboarding sessions across APAC, EMEA, and Americas for new hires and leadership
- Consultative, diagnosis-first seller: conceptualized multi-agent solutions and ROI models, selling to CTOs and cross-functional CXOs.

Channel Partnerships Lead | Neokred Technologies

Jun 2024 – Oct 2024

- Led go-to-market for India's first DPDP-2023 consent management platform across enterprise and consumer markets.
- Launched a co-branded solution with AIGF, India's largest gaming federation, and opened a partnership with law-enforcement and intelligence units for investigative use cases.

Key Account Executive | Bureau, Inc. — Fraud prevention & identity risk platform

Aug 2022 – Apr 2024

- **Exceeded quota by 50% in two consecutive quarters.** Acquired 12 new logos and managed a 25-account portfolio to a 90% renewal rate; landed the company's first unicorn customer.
- Expanded into three new verticals — proptech, e-commerce, legal tech — and won the market leader in each.
- Lifted demo-to-close conversion by instrumenting product usage and shipping 7 targeted releases with engineering.

Enterprise Account Executive | Jai Kisan — Fintech

Nov 2020 – Jul 2022

- **Built a ₹250 Cr loan book** through ICP definition, enterprise targeting and internal credit-committee management.
- Prospected 300+ enterprise leads a month at 40% conversion to qualified opportunity; closed with CFOs of listed entities (\$1B+ revenue) accounting for 75% of company revenue.
- Signed India's largest commodities platform as a channel partner, lifting MRR 10%.

EDUCATION

Texas A&M University | BSc Economics, Minor in Philosophy of Logic — Magna Cum Laude, 3.7/4.0
